

## ESCHATOLOGY

To counteract the numerous false prophetic teachings which are prevalent in this apostate generation, specifically PRETERISM, which teaches the book of Revelation has had its fulfillment in the distant past, Nero being the Antichrist, and FUTURISM, which teaches the book of Revelation's fulfillment in the distant future at which time the Antichrist will not come until after an alleged 'secret' Rapture of Christ's Church at the end of the world.....this ministry teaches the HISTORIC view. Simply stated, this system of interpretation defines the symbolism of the Revelation in terms of fulfilled, factual history because the Revelation of Jesus Christ is actually the prophetic revealing, beforehand, of the history of His Church. Without knowledge of Church history the symbolism of the Revelation is a meaningless mish-mash whose interpretation is easily perverted and the subject of endless fictitious speculation.

Both PRETERISM and FUTURISM misdirect the Body of Christ away from the true MAN OF SIN, who is the SON OF PERDITION, the SCARLET BEAST and ANTICHRIST in our midst, whom the saints have known, identified and exposed for one thousand years. Not by coincidence, both PRETERISM and FUTURISM have their origin in commentaries published by Jesuits to counter the Protestant interpretation of the Revelation, giving preposterous alternatives to the Protestants' piercingly accurate identification of the papal Antichrist in Rome. To the shame of the professing Evangelical Church, the vast majority of Christians today hold to either of these two heretical theories, proving the love of many has waxed cold, the Lord having sent many strong delusion to believe the lie.

Our name, Protestant Reformation Publications, indicates a creedal position identical to that of the Reformers, who all believed in salvation by sovereign grace alone, through faith alone in Christ alone. To these brilliant, God-fearing Christian soldiers THERE WAS NO OTHER HEAD OF THE CHURCH BUT THE LORD JESUS CHRIST: NOR CAN THE POPE OF ROME, IN ANY SENSE BE THE HEAD THEREOF; BUT IS THAT ANTICHRIST, THAT MAN OF SIN AND SON OF PERDITION, THAT EXALTETH HIMSELF IN THE CHURCH AGAINST CHRIST, AND ALL THAT IS CALLED GOD.

Furthermore, FUTURISM and PRETERISM share a common evil bond in that they both deny their Lord by denying the united testimony of the martyred brethren who all understood the Antichrist alive and well, reigning in the Church of God.

It is true the Protestant Reformers, generally speaking, believed Satan previously bound for 1,000 literal years, yet they did not believe Satan bound in their day. In fact, they understood it impossible for Satan to be bound while his vicar, the papal Antichrist, roamed free, creating havoc and tyranny in the Church. We deplore the teaching which declares Satan presently bound, as it

shows a supernatural blindness and hardening by the sovereign will of God upon those who teach such gross error despite the united testimony of Scripture, the saints and history.

Although there is one great Antichrist in Rome, this ministry recognizes there are many members of Antichrist's body who emulate him in word and deed. These members are found in all professing Christian denominations and religions. ICONBUSTERS has been called to identify certain specific members of Antichrist, warning the Lord's flock that they might separate from darkness and evildoers whose cunning and celebrity is so great that even the Elect might be deceived, if it were possible.
